

ASSISTIVE TECHNOLOGY

PRESENT MONTHLY WORKSHOPS

Assistive Technology (AT) is any tool, piece of equipment or service designed to help people of any age who may have disabilities or limitations, to develop, maintain or improve the ability to function in everyday life.

Every 3rd Wednesday of the month in our Downey Office.

10:00 AM to 11:30 AM

Topics may include:

- How to obtain needed equipment from your doctor.
- Who can help you pay for equipment and/or services (Medi-Cal, Medicare, DOR, grants)
- What is a ReUse Donation Center?
- Types of Durable Medical Equipment.
- What are Accumulative Communication Devices?
- How can the Braille Institute help with equipment/ services for visually impaired individuals.
- Exploring Center for Applied Rehabilitation Technology (CART)
